LAS VEGAS--(BUSINESS WIRE)--In just under 40 days, National Aten Coin's groundbreaking new cryptocurrency will be available from AtenPay, SA; a Warsaw, Poland based company. The Aten "Black Gold" Coin can be purchased through collaborative efforts between AtenPay, SA and ANXPRO, one of the globe's most revered online trading platforms. The Aten "Black Gold" Coin will be available in all fiat currencies including, USD, EUR, HKD, AUD, CAD, JPY, SGD, GBP, NZD and CHF. NAC clients will have immediate access to ANXPRO's simple and user friendly UI, consolidated shared order book for blended multi-currency settlement, real time FX pricing, deposit options, and risk management and trading tools.

National Aten Coin Foundation (NAC) is a service member of the American Bank Association (ABA) and compliant with the following agencies: Anti-Money Laundering (AML), Counter Financing of Terrorism (CFT), Anti-Fraud and Financial Crimes (AFF), Office of Foreign Assets Control (OFAC), Bank Secrecy Act (BSA), USA PATRIOT Act and the FACT Act.

BGCI International Inc. (BGCI) is an Aten "Black Gold" Coin promotion company. BGCI's main goal is to promote the use of Aten Coin worldwide. BGCI invests in various ventures such as oil and gas production projects while requiring the profits to be paid back to BGCI in Aten Coins. This helps to perpetuate the Aten Coin Market.

BGCI partners with SWC Group in Warsaw, Poland to create an Aten Coin processing platform. AtenPay provides a user-friendly one-stop solution for people to acquire Aten Coins and for commercial companies to receive payment in Aten Coins. For more information, please visit: www.AtenPay.com.

Founder of NAC, Marcus Andrade is excited for the inaugural month of the Aten "Black Gold" Coin.

"All of our hard work is finally coming to fruition," said Andrade. "The NAC team is very proud to put this incredible new coin in the digital currency market. We set our bar very high and feel that our goals have not only been met for the Aten "Black Gold" Coin, but exceeded," he said.

Unique Features of the Aten "Black Gold" Coin

- **AML & KYC:** Aten Coin is the first cryptocurrency that is designed to fulfill AML and Know Your Customer (KYC) requirements.
- **Theft-Resistant:** Bitcoin as well as other cryptocurrencies are susceptible to stealing by hackers, who are unidentifiable. However, Aten Coin is the first cryptocurrency that allows the tracing of real identities in the event theft occurs. This makes Aten Coin theft-

resistant.

- **Non-volatile Value & Liquidity:** Volatile value is one of the key issues of Bitcoin and many other cryptocurrencies. NAC's partner company, BGC International, Inc., is creating a constant demand of Aten Coins through joint ventures with oil and gas production companies. Over 50% of the investment profits will be paid in Aten Coin to create a continuous demand of Aten Coin and maintain a stable value of Aten Coin.
- **Fast:** Transaction of Aten Coin is 9.4 times faster than Bitcoin.
- **Secure:** Aten Coin is a highly secure cryptocurrency that uses multiple rounds of 11 different cryptographic hashes, thus making it one of the safest and sophisticated modern cryptocurrencies. In contrast, Bitcoin only uses a single round of double SHA-256 hashes.
- **Usability:** Shops can easily accept Aten Coin payment by using our AtenPay services. In the near future, people will be able to use the Aten Coin to buy things in real life, e.g., a cup of coffee, online games, meat, petroleum, etc.

Ken Lo, CEO and Co-founder of ANXPRO, is looking forward to offering the Aten "Black Gold" Coin on his company's trading platform. Lo said NAC's commitment to compliance and transparency created a natural fit for the company.

"NAC and ANXPRO operate from the same level of respect for regulatory practices in the electronic currency market," said Lo. "We both utilize topnotch security methods, and employ the most state-of-the-art anti-money laundering control systems available today," said Lo.
